# God is a Light

65BPM

*Kyle Jackson*

## VERSE 1

I 4                      I 5                      I 4                      I 5                      |  
Highest king of heaven, you took your place earth; humbled to a manger, a lowly kind of birth; a  
I 4                      I 5                      I 4                      I 5                      |  
Savior with a promise to reconcile the world; Son of God incarnate, to be called the Lord of Lords  
I 4                      |  
                        God is a

## CHORUS 1

I 1                      5                      I 4                      I 1                      5                      I 4                      |  
Light;                          God is a Light                                  God is a  
I 6m                      5                      I 4                      |  
Light                          that dwells among us

## TURN 1

I 1                      5                      I 4                      I 1                      5                      I 4                      |

## VERSE 2

I 4                      I 5                      I 4                      I 5                      |  
God in all our suffering; the love of Christ has won; fulfilled the word of prophets; our longing here is done  
I 4                      I 5                      I 4                      I 5                      |  
The Word made flesh among us; the Great I Am, I'm sure; a lighthouse in the darkness; the hope of all the world  
I 4                      |  
                        God is a

## CHORUS 2

I 1                      5                      I 4                      I 1                      5                      I 4                      |  
Light;                          God is a Light                                  God is a  
I 6m                      5                      I 4                      |  
Light                          that dwells among us

## TURN 2

I 1                      5                      I 4                      I 1                      5                      I 4                      |

### VERSE 3

**1 4**  **1 5** **1 4** **1 5** |  
O God we need a savior; this earth is not my home; You came to dwell among us; You'll come again I know  
**1 4** **1 5** **1 4** **1 5** |  
Oh God, my spirit's broken; how my soul rests in your birth; a child called King is here now, was born to die for us  
**1 4** **1 5** **1 4** **1 5** |  
for us for us

### CHORUS 3

**1 1** **5** **1 4** **1 1** **5** **1 4** |  
Light; God is a Light God is a  
**1 6m** **5** **1 4** |  
Light; God is a Light God is a

### CHORUS 4

**1 1** **5** **1 4** **1 1** **5** **1 4** |  
Light; God is a Light God is a  
**1 6m** **5** **1 4** **1 4**  **1 1** |  
Light that dwells among us
